Select if applicable

How can we help? *

Briefly describe your situation...

What happens if I fill in the details in the form **urgen case enquiry** at the bottom of this page:

<https://skyblue-chinchilla-802485.hostingersite.com/visa-home/complex-case/>

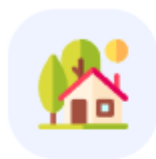

One this page when I click on the button **view journey**, it takes me to the Work visa instead of

Business Investor visa <https://skyblue-chinchilla-802485.hostingersite.com/visa-pathways/business-investment-visa/>

Similarly when I click on the **visa journey** button on Residence Visa page, it goes to "I have a job Offer" instead of "I want Residence Visa"

Abd it's the same when clicking on the "Visa Journey" button of other visa pages -->

Always going to 'I got a job offer'
